Hunting Season Starts

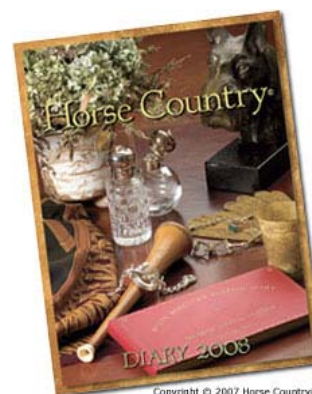

The hunting season is in full swing. We've been encouraged by the number of visitors from around the country participating in the Field Hunter Championships this year. Horse Country is pleased to present the judges' gifts again this year.

We look forward to seeing you!

President

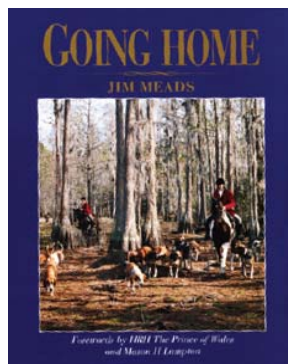

The Horse Country Winter 2009 catalog is in the works. Look for it in November. Until then, our Diary 2008 catalog is still in most homes and if, by chance, you've misplaced it, it is on our website at www.horsecountrylife.com.

Most of the items in our Diary 2008 catalog are in stock. There may be some price changes from last year's catalog so be sure to ask when you place your order.

What's Happening?

Save the date: The Jim Meads book signing will be **October 24, 2008 at 7:00 PM** at the store. Jim's latest book, *Going Home*, is great with more photos of North American hunts than ever before and he's even put an American MFH on the cover. Both HRH Prince Charles and Mason Lampton have written forewords.

If you can't attend the launch and book signing, we'll have Jim sign your book and send it to you or a friend. The tent will be up in the front lot and the caterer has promised us a wonderful menu. RSVP Jenny Young at Horse Country at 540-347-3141.

Going Home, 192 pages, color photographs throughout, hard cover with dust jacket. \$60.00
